You will be provided with a written estimate after your consultation with the dentist.
If you require any further information then please feel at ease to ask any member of our team.

Medenta 0% finance is available subject to application. Please ask our reception team for more information.

Children, full-time students under 19, expectant and nursing mothers, patients with a valid exemption certificate, will be able to obtain NHS treatment, wherever possible.

Due to the increased demand of sterilisation, disposable instruments and the cost of quality materials, we have been forced to increase our fees as modestly as possible. This is the first increase for 2 years. (Correct as from 01 June 2018).

11 Old Park Avenue, Enfield Middlesex EN2 6PJ
